“Great looking portfolio site from Christian Swinnen. Nice textures”

unmatchedstyle

www.unmatchedstyle.com

“Fun little illustrations can really make your website shine, in this case it’s what makes it go entirely.”

PSDFAN

www.psdfan.com

“Chriswi uses a subtly textured background to add a sense of detail to this otherwise simple design. The cute illustration and awesome typography makes this a really fun design to browse, and the bright color-scheme helps accentuate this.”
